## FOUNDER OF ROTARY

Paul P. Harris  
1869-1947

*Paul Harris, the father of Rotary Movement was born on April 19, 1868. When he passed away on January 27, 1947, he left behind for mankind a rich legacy of fellowship and brotherhood for international understanding and service to humanity. Today, the seed he sowed in 1905, has blossomed into a large tree having more than 1.2 million members from more than 34,000 clubs in 200 countries.*

Dear fellow Rotarian:

I want to congratulate you on your installation to the office of 2016-17 as President.

As a club officer, you can help strengthen your club - raising awareness of its work, gaining new members, and helping to carry out projects that have a lasting impact. Your guidance and example are essential to keeping your fellow Rotarians enthusiastic and engaged. Our success as a service organization begins at the club level - Rotarians are the foundation of everything that Rotary stands for. Without active members like you, we would not be the organization we are today.

Congratulations again on your new position. I look forward to a year of great accomplishments with your help, and of *Rotary Serving Humanity*.

Sincerely,

John F. Germ  
2016-17 President, Rotary International

ROTARY INTERNATIONAL  
RI DISTRICT 3292

# Message from District Governor 2016-17

President and All members of RC Yala,

It gives me immense pleasure in extending my sincere congratulations to the President and RC Yala for his successful Rotary year and accomplishment you all made during the year. Rotary Club of Yala have been a vibrant clubs mainly due to meaningful guidance from senior Rotarians including Past District Governor and others from diversified classifications. I am sure the path you have shown by various innovative and diversified programs is worth following by other Rotary Clubs as appealed by RI President John F. Germ in the annual theme **Rotary Serving Humanity**. At the same time I take this opportunity in extending my best wishes for successful new Rotary Year.

I am glad to note that RC Yala is planning to publish a souvenir in the beginning of the Rotary Year 2016-17, to commemorate the installation of the new President. I am sure this publication will cover the past experiences and learning, which will be a valuable gift to all Rotarians in future. I have no second opinion to that publication of the souvenir like this will be instrumental in providing valuable information as well as sharing experiences and learning among club members and beyond. But I would like to urge all Rotarians to be mindful in **reducing, reusing and refusing** to consume natural resources, especially when RI is opting to be paperless soon. I think we should be more innovative to explore alternative mechanisms and replace the publication of documents that consumes more natural resources in the form of paper that destroys large amount of trees, the natural resources.

Having said this, let me urge all clubs to record the significant changes seen in the communities, where we Rotarians have worked in the past, especially in the area of all six Rotary Focus Areas which is accessible to every member of the community. This I believe, will be a significant service to the communities and a valuable gift to the Rotarians.

This year, the new strategy of the RI District 3292 Nepal and Bhutan has emphasized to plan activities around, supporting the clubs in their strengthening among others. For this, first of all we all must make change in our clubs. I am sure only the strong club will be able to focus activities to **Serve Humanity**.

I wish to request all of you to focus in strengthening the club in this year's plan of action, as you all know, In Rotary, club strengthening is the epicenter of all activities for overall impact at the community level.

Club strengthening entails focusing the activities mainly in four areas such as (1) membership development (2) maximizing contribution to The Rotary Foundation (3) implementation of innovative and diversified service projects (4) enhancing Rotary image at the community level. The clubs that focus their activities in these areas are expected to easily achieve financial sustainability and operational effectiveness, which I believe is key for the overall impact of the Rotary activities at the community level for longer duration of time. RI has urged all Districts to include this as one of the most important strategic priority. Accordingly the new strategic plan of the RI District 3292 had also adopted this as one of the strategic priorities.

Yours in Rotary

**Jaya RL Shah**  
District Governor 2016-17

# Message from District Governor Elect 2017-18

ROTARY INTERNATIONAL  
RI DISTRICT 3292

Dear Fellow Rotarians,

Let me take this opportunity to congratulate the President and all the club officials for the coming year. (2016-17). This year we are sure you and your team will keep the Rotary flag flying high in all its glory and spirit. My best wishes and support will always be with you

The achievements of all the club and district have reached new heights last year for which I would like to congratulate all the Immediate past presidents and their team. The year ahead is yours and I am sure you will take your club and district to even greater heights. The dedication and belief in Rotary will be your driving force more than the strength and size of the club.

During the course of time we forget our identity and acquire new ones which are really not us. The basic identity of all Rotarians is that we are only human beings and we stand to serve and help humanity without being influenced by cast, creed, color, religion or politics.

**Serving Humanity** is also the theme given to us by our Rotary International President Rtn. John Germ. Only if we are true human beings the desire to serve humanity and help the community will be the prime focus for us. Rotarians are the epitome of service to humanity and it is you and I who inspire others to join us and make a global impact.

Remember in whatever you do the values and integrity of Rotary must always be preserved. We have to be an example to set an example. Rotarians working hand in hand will definitely lead us to making our dreams a reality. Everything starts from where you are, take the step ahead and we are all with you to achieve great feats in the coming year.

“Small acts when multiplied by millions of people can transform the world “

That is what rotary does.

Wishing you all the best in all your efforts to champion the cause of ROTARY.

Thank You

Yours in Rotary

Rtn.Sanjay Giri

DGE Dist 3292

# Message from District Governor Nominee 2018-19

**ROTARY INTERNATIONAL  
RI DISTRICT 3292**

I and my wife Lelina would like to take the pleasure of extending our best wishes to the President and of Rotary Club of Yala and his team for successful Rotary Year 2016/17. I sincerely believe that under your leadership Rotary Club of Yala will be able to exemplify “Rotary Serving Humanity” with the efforts of all the members and Club officials.

Going back to the History, Rotary started with fellowship and grew under the networking of the fellowship. The Rotary Foundation supported service Project helped Rotary to expand its wings to the community around the world. Rotary motto-“Service above self” and “four-way test” the guiding principles of Rotary, touched the heart of millions around the globe by establishing Rotary as distinct service organization. Today the community around the world has special regard to Rotary because Rotarians promote and practice certain value system for “doing good” in the world; hence it is our prime responsibility to promote those values further.

In Nepal Rotary is growing because service to humanity is inherited in our society. Universal teachings of Eastern culture- “Paropakara punya , papyapa parapidnam “, “karmandava dhikarastu ....“ Sangam saranam gachhami “ reveal human responsibility beyond self.

When we talk about Rotary movement in Nepal we need to give due respect to our Past District Governors and many senior Rotarians who has contributed significantly in the past and are continuing from their respective level.

With our experience and through the response of people in the community we serve, it has become evident that after the devastating earthquake last year, Peoples’ perspective toward humanitarian service has remarkably changed. People have become more sen-

sitive towards the “natural being”. Remarkable awareness toward “community living” is visible in every community. This is probably one of the reasons behind the extra-ordinary growth achieved by the clubs in our District 3292 during the Rotary year 2015/16. I have a confidence and strong belief that with an effective social leadership, these positive changes can be instrumental in the overall development of our society.

As a leading Club of the District, you have all the capacity to inspire your members and other clubs to utilize their strength to reach out to the community and their need and focus towards consolidation of resources towards Humanitarian Service. I wish you all the best.

Finally, I would urge fellow Rotarians to reach out to the community for Serving Humanity. Enjoy Rotary

fellowship and inspire change.  
Yours in Rotary Service,

Chintamani Bhattarai  
District Governor Nominee

## Message from President 2016-17

It is my pleasure to wish you all a very happy and successful Rota Year 2016 -17.

I have been associating with Rotary Club of Yala from the date of Charter of this club but not as a member and I became a part of this wonderful club since 2007, I could never have imagined that I would be taking the responsibility of being the Club President. I am feeling affection and the confidence that everybody has shown towards me giving me this opportunity. I would like to express my sincere thanks to all fellow Rotarians of Rotary Club of Yala for their trust on me giving me the chance to takeover as a President for Rota Year 2016-17. I am sure, with the guidance and support from all the members of the club and service partner i.e. Anns, Rotaracts, Interacts, and Rotary Community Corps the Rota Year 2016-17 will be a meaningful year to take the club forward by working together with a wonderful team and to built the image of Rotary Club of Yala further more.

I would like to thank Past President Rtn Kiran Shrestha for bringing me into Rotary Club of Yala for the path of Humanitarian Service through Rotary International. Also I would like to thank Past President Rtn Surendra Govinda Joshi for proposing me for the member of RC Yala.

Rotary Club of Yala has a diverse and dedicated members and partners in service. It has been recognise as a vibrant club. As it has active members and there are many leader who have already hold senior position upto the DG level in the District. Obviously RC Yala has prove it self a prominent club among the Rotary clubs through out Nepal.

As we all know, Rotary is a volunteer organization and all my fellow Rotarians are wonderful and have shown their dedication to provide "service above self".

Rotary International President John Germ has announced the theme for Rota Year 2016-17 as "

Rotary Serving Humanity". Rotary members around the globe are serving humanity by providing clean water to underdeveloped communities, promoting peace in conflict areas, and strengthening communities through basic education and literacy and definitely Polio eradication.

Last year, due to mega earthquake thousands of Nepalese people lost their lives and properties and it was an opportunity for volunteer like Rotarians to rescue and support the people affected by the earthquake. Since then, Rotarians, Anns and Rotaracts of Rotary Club of Yala are actively serving the earthquake victims in the communities in the areas of Water, Sanitation and Hygiene (WASH), Health and reconstruction of School Buildings. This year our main focus is to reconstruct School Buildings in Lalitpur District, RC Yala has plans to support at least 10 School Building in Lalitpur District reconstructing them jointly with RI District 3292 and other partners.

All Rotarians are requested to provide their service with respect to their own professional knowledge, expertise and monetary contribution for this noble cause. It is the beginning of Serving Humanity to the society and Rotary Club of Yala will continue until the club remains in existence.

With warm regards and best wishes to all,

Yours in Rotary,

Deepak K Shrestha  
President 2016 - 17  
Rotary Club of Yala  
RI District 3292.

# Message from President 2015-16

I wish to express my gratitude to the entire fellow Rotarians of Rotary Club of Yala for entrusting me as the president of the club for Rota Year 2015-16. This year has been another successful year in the history of Rotary Club of Yala and added a feather of success on the cap of the club. This has only been possible with generous support from all fellow Rotarians, Anns, Rotaracts, Rotary Community Corps, Members of community and Associates.

As the Rota Year 2015-16 began few months after the devastating Earthquake, this year is more focused on supporting earthquake victims. The Earthquake caused lots of sorrow and suffering to thousands of people in terms of life and property. On the other hand, the Earthquake brought lots of opportunities to serve above self and to “Be a gift to the community”, as a result, the activities of Rotary Club of Yala was focused initially on emergency relief activities and then later concentrated on construction of emergency shelters. Rotary Club of Yala built more than 150 emergency shelters in Harishiddhi, and similarly it built emergency shelters in Patan, Khokana and Bungamati. The shelter helped Earthquake victims to safeguard from monsoon and winter. Rotary Club of Yala also distributed Personal Hygiene Kits, quilts, installed Water Tanks and built community toilet as part of Water, Sanitation and Hygiene Program that prevented villagers from water borne diseases. As a part of economic development activity, our club distributed vegetable seeds to the almost 1000 earthquake affected farmers immediately after the quake when they desperately needed the seeds to do the farming. The seeds helped them to earn their livelihood to some extent.

Since the establishment, education has always been priority of our club. This year also we continued to support schools and students. Distribution of uniforms, stationary, day meal, braille papers, personal hygiene kits, water tanks and pump are few of the projects to be named. Apart from these, training to school girls on personal hygiene and distribution of hygiene kits was the new beginning under school support project. The most important project this year initiated was the reconstruction of three schools supported by Nepalese Association in Houston

(NAH), USA. RC Yala Rotarians are very much obliged to NAH. We thank the entire NAH family.

Cancer Awareness and screening is the flagship project of RC Yala. This year also continued numerous Cancer Awareness and VIA test projects, colposcopy and mammogram projects in association with Nepal Cancer Hospital & Research Center and Nepal Cancer Care Foundation. Hundreds of patients benefited from the camp. Apart from camps, this year, club successfully hosted ICM on Anemia, Breast and Prostate Disease. Thanks to Nepal Cancer Hospital & Research Center and Rajiv Gandhi Cancer Research Center, India for supporting in ICM. Physiotherapy Camp in association with Nepal Physiotherapy Association is another achievement this year. Thanks to Nepal Physiotherapy Association.

Distribution of Four Way Test poster to schools, jackets to Lalitpur Police and organizing Vocational Award Ceremony at a public place, Mangal Bazar in presence of distinguished guests helped to enhance Rotary image in the community.

In Rotary, families are the integral part in implementation of the projects. Anns have been very instrumental in implementation of projects. Anns and children of Rotarians have always been part of celebration. Group Birthday celebrations of Rotarians and Anns, Felicitation to graduate children of Rotarians, family Picnic are some of the Rotary family activities this year that strengthen relation between Rotarian families.

Rotary is the platform to serve through the vocation. Rotary respects every vocation. In this context, RC Yala felicitated with PuspaSirpa (Puspa Award) and Srijana Vet Award to Mr. Om Tamrakar and Mr. Jeetendra Lama in recognition of their vocation. We

also felicitated Police Inspector ReshamShrestha and Prof. Sundar K. Shrestha in recognition of their contribution to community.

RC Yala has always been keen in maintaining relation with other clubs. Being a guest speaker in other clubs, inviting Rotarians as guest speaker and organizing joint Regular Weekly Meeting with other clubs are some of the initiations of RC Yala to maintain inter-club relation. Apart from that, RC Yala also had participated and co-hosted ICM and had meeting with Rotarians from clubs abroad.

This year, RC Yala has successfully completed 50 Regular Weekly Meetings, 6 Club Assemblies, 10 Board of Directors Meeting and few Committee Meetings and has published 50 issues of weekly bulletin "Ga:n" the bell. The attendance in Regular Weekly Meetings was satisfactory and could maintain 100% retention of membership. Celebration of 1000<sup>th</sup> Regular Weekly Meeting on 12<sup>th</sup> February 2016 was the milestone in the history of RC Yala. This year there was enhancement in use of IT in the Club. Wide use of Group Viber and Gmail has been immensely useful in disseminating information between Rotarians and Anns. The Google Drop Box helped to maintain e-record of the documents of RC Yala. RC Yala Rotarians participated in many of the District events. RC Yala had maintained good relation with Rotaracts of Yala as well.

Almost 24 Talk program on various topics by Guest Speaker and fellow Rotarians were held in the club this year, which helped to share knowledge on various field.

Considering all the team effort, trust, everyone will agree that Rotary Club of Yala had been successful this year to "Be a gift to the community". Hope this will continue for many years to come.

Finally, I would like to thank District Governor, Assistant Governor, Past Presidents of the Club for guidance and also thanks once again to all the fellow Rotarians, Rotaracts, RCC and Associates for their valuable support. My special thanks to the Anns Group of Rotary Club of Yala – they have been invaluable in implementing all the projects of our club. I would request all fellow Rotarians and Anns to support the team of 2016-17 led by Rtn. Deepak Shrestha to achieve the objective of the theme given by RIP John F Germ "Rotary Serving Humanity". My best wishes for successful Rota Year 2016-17. Thank you.

Rtn. Sushil Bajracharya | President 2015-16

## The mouse trap

A mouse looked through the crack in the wall to see the farmer and his wife open a package. "What food might this contain?" the mouse wondered. He was devastated to discover it was a mousetrap.

Retreating to the farmyard, the mouse proclaimed the warning: "There is a mousetrap in the house! There is a mousetrap in the house!"

The chicken clucked and scratched, raised her head and said "Mr.Mouse, I can tell this is a grave concern to you, but it is of no consequence to me. I cannot be bothered by it."

The mouse turned to the pig and told him "There is a mousetrap in the house! There is a mousetrap in the house!" The pig sympathized, but said "I am so very sorry, Mr.Mouse, but there is nothing I can do about it but pray. Be assured you are in my prayers."

The mouse turned to the cow and said "There is a mousetrap in the house! There is a mousetrap in the house!" The cow said "Wow, Mr. Mouse. I'm sorry for you, but it's no skin off my nose."

So, the mouse returned to the house, head down and dejected, to face the farmer's mousetrap alone.

That very night a sound was heard throughout the house - like the sound of a mousetrap catching its prey. The farmer's wife rushed to see what was caught. In the darkness, she did not see it was a venomous snake whose tail the trap had caught. The snake bit the farmer's wife. The farmer rushed her to the hospital and she returned home with a fever. Everyone knows you treat a fever with fresh chicken soup, so the farmer took his hatchet to the farmyard for the soup's main ingredient. But his wife's sickness continued, so friends and neighbors came to sit with her around the clock. To feed them, the farmer butchered the pig. The farmer's wife did not get well; she died. So many! people came for her funeral, the farmer had the cow slaughtered to provide enough meat for all of them.

The mouse looked upon it all from his crack in the wall with great sadness. So, the next time you hear someone is facing a problem and think it doesn't concern you, remember: when one of us is threatened, we are all at risk. We are all involved in this journey called life. We must keep an eye out for one another and make an extra effort to encourage one another. Each of us is a vital thread in another person's tapestry.

## Message from President 2015-16 Rotaract Club of Yala

Dear All,

Warm Greetings!

I would like to take this opportunity to congratulate Rotary Club of Yala family for its 20<sup>th</sup> Installation Ceremony. The Rota Year 2015-16 has come towards the end and it is time to handover the responsibility of the club to a new leader for creating another milestone in our history.

Rotary and Rotaract club of Yala has a very special bond in all aspects and we are privileged to be a part of such a wonderful family. Being a president has been an incredible journey for me and it would not have been a successful one without the support and cooperation of my entire team of Rota Year 2015-16 including all the Past Presidents and an overwhelming support of Rotary Club and Anns Group of Yala in every step. I believe that this collaboration will continue in the years to come.

Lastly, I would like to congratulate Rtn. Sushil Bajracharya and his entire team for the successful completion of his tenure. Likewise, I would like to wish a very best to Rtn. Deepak Kumar Shrestha for the upcoming tenure and hope that along with Rtr. Pramod Singh, President of Rotaract club of Yala 2016-17, and his team, Yala creates another milestone in its history.

Yours-in- Rotaract

Rtr. Romi Shrestha  
President 2015-16  
Rotaract Club of Yala

## Message from President 2016-17 Rotaract Club of Yala

Dear Rotarians,

Firstly, I would like to congratulate entire Rotary Club of Yala family on completing 20 years of Rotary Service and Rtn. Deepak Kumar Shrestha for being installed as the President of Rotary Club of Yala for the year 2016-17. It is an honour to Rotaract Club of Yala to have Rotary Club of Yala as its sponsoring club, which has been always supporting us since its establishment. And, I would also like to take this opportunity to thank all Past Presidents who made Rotaract Club of Yala a force to reckon with.

We are bonded by the family of Yala, which includes Rotary Yala, Anns Group of Yala and Rotaract Yala. As a family, I hope that we work together uplifting each other in all kinds of circumstances and strive towards success. During Rotary year 2018-17 as president of Rotaract Club of Yala, I look forward to work together with Rtn. Deepak K. Shrestha along with his team in enhancing the image of Rotary Club of Yala and Rotary movement at large.

I would also like to congratulate Rtn Sushil Bajracharya and Rtr. Romi Shrestha for the successful completion of their tenure as presidents of Rotary Club of Yala Rotaract Club of Yala respectively and once again like to wish all successes to Rtn. Deepak Shrestha in the year 2016-17.

With Regards,  
Rtr. Pramod Singh  
President 2016-17  
Rotaract Club of Yala.

## EDITORIAL

Dear All,

At the outset, on behalf of the editorial team, I would like to congratulate, all new presidents of Rotary Clubs of Nepal and their teams for taking the responsibility to lead their respective clubs in the year 2016-17.

At times, members of Rotary clubs complain that Rotarians disappear after serving as president for one year in the club and some did not want to take any position as they feel any other designation in the club board is inferior to the president. Friends, in Rotary as we say all useful vocations are equally important, all posts/positions, be it in the club, district or international level are equally important. As a Past District Governor I took the responsibility of club 'Editor' for the year 15-16 and enjoyed throughly bringing out club's weekly bulletin 'The Bell' regularly. It is a matter of pride to all the members of RC Yala that our bulletin was recognized as the best bulletin of the year by the district. I should thank Secretary Dr. Laxman Joshi for his promptness in providing me the club meeting minutes to publish in the bulletin.

Dear Fellow Rotarians, after the earthquake RC Yala did not leave any stone unturned to provide relief materials, build hundreds of temporary shelters to the earthquake victims. Besides the relief and rehabilitation works the club, under capable leadership of President Sushil Bajracharya working together with Anns and Rotaractors has achieved a lot and kept its image even higher in the society. Many Thanks to RC Yala family.

As Editor of Rotary Club of Yala for the year 2015-2016 I would like to extend my sincere thanks to those who have contributed in bringing out this souvenir magazine.

My special thanks to PP Kiran Shrestha for taking the overall responsibility of publication of this souvenir and thanks also go to contributors of ads and articles.

Yours in Rotary  
PDG Dilendra Raj Shrestha  
Editor

We wish all the best to  
**ROTARY CLUB OF YALA**  
on the occasion of its  
20<sup>th</sup> Anniversary

# Council on Legislation 2016

- PDG Tirtha Man Sakya

The Council on Legislation is usually held once in 3 years at a site determined by the RI Board of Directors. This year (2016), the Council on Legislation was held on 10-15 April in Chicago, Illinois, USA. It was attended by 530 representatives from all the district in the world to debate, discuss and electronically vote for the submitted Enactments, Resolution by any or all district.

All items of legislation are divided into two types: enactments and resolutions. A proposed enactment seeks to amend the RI constitutional documents. Constitutional documents include the RI Constitution, the RI Bylaws and the Standard Rotary Club Constitution. All enactments reference the 2013 *Manual of Procedure* page numbers of the constitutional document(s) they propose to amend.

A proposed resolution is any item that does not seek to amend these documents but other RI policies and procedures.

At the top of each piece of legislation is a Council number (for example, 16-01). Items of legislation proposing changes on the same topic may have similar or identical titles.

Also at the top of the legislation is the name of the proposer(s). Some items have more than one. This occurs when multiple proposers submit identical items of legislation that are then combined. It also occurs when proposers of similar items agree to join a piece of compromise legislation recommended by the Constitution & Bylaws Committee. This recommendation is pursuant to the RI Bylaws and does not express the Committee's opinion regarding the merits of the proposal. Compromise proposals are labeled with Compromise Legislation above the Council number.

The proposers' statements of Purpose and Effect and the Financial Impact statements from the general secretary are printed below each item of legislation. The statements of Purpose and Effect are drafted by the proposers of the legislation and have not been edited for accuracy. The Financial Impact statements are drafted by the general secretary and reflect any estimated increase or decrease in revenues and/or expenses that will be incurred by implementing the proposed enactment or resolution.

Enactments categories in the area of Club Administration, Avenues of Service and Object of Rotary, Club Meetings, Attendances, Membership,

RI Officers and Elections (RI President, RI Directors, Governors and Miscellaneous), Legislative procedures, The Rotary Foundation and Rotary International.

The COL representative is required to undertake and complete online training and training in Regional Rotary Institutes from this year otherwise RI will not bear the travelling cost and other expenses of representative.

The Inauguration of Council on Legislation 2016 on 10 April, afternoon was business like. RI President K.R Ravindran highlighted the spirit behind Council on Legislation. He requested all for the healthy debate and agree to disagree but not take it personally or carry it home. Council Chairman introduces the enacting of Co-chair, Secretaries and bylaws committees. And address burning issue like attendance, litigations, membership, RI Dues and many more.

The enactments/resolutions were adopted, withdrawn, rejected or referred to board and postponed indefinitely are as follows.

## ENACTMENTS Adopted

- |       |  |
|-------|--|
| 16-01 | To provide for written board meeting minutes   |

## HOW WOULD YOU LIKE TO BE REMEMBERED?

About a hundred years ago, a man looked at the morning newspaper and to his surprise and horror, read his name in the obituary column. The news papers had reported the death of the wrong person by mistake. His first response was shock. Am I here or there? When he regained his composure, his second thought was to find out what people had said about him. The obituary read, "Dynamite King Dies." And also "He was the merchant of death." This man was the inventor of dynamite and when he read the words "merchant of death," he asked himself a question, "Is this how I am going to be remembered?" He got in touch with his feelings and decided that this was not the way he wanted to be remembered. From that day on, he started working toward peace. His name was Alfred Nobel and he is remembered today by the great Nobel Prize.

Just as Alfred Nobel got in touch with his feelings and redefined his values, we should step back and do the same.

What is your legacy?  
 How would you like to be remembered?  
 Will you be spoken well of?  
 Will you be remembered with love and respect?  
 Will you be missed?

*We wish  
 all the best  
 to  
 Rotary Club of Yala  
 on the occasion of its  
 20<sup>th</sup> Anniversary*

**Pure  
 NATURAL  
 Honey  
 Original  
 Taste**

- ❖ Have honey day, stay healthy.
- ❖ Honey is good for the people all age.
- ❖ Regular taking of honey improves your memory power.
- ❖ Taking honey with hot water in winter warms you up quickly.
- ❖ Taking honey with the lemon water regularly helps you loose your weight.
- ❖ When you take tea, coffee, milk or any other soft drinks you better use honey instead of sugar for your health.

# Yeti Airlines flies with BAE's Jetstream 41; World's best turboprop plane.

Yeti Airlines operates Jetstream-41 (J-41) the latest in line of turbo prop planes made by British Aerospace (BAE). With over 100 aircrafts built to date, the BAE's J-41 is in active service as a feeder liner in as many as 12 airlines across the world. The best in its class, the BAE's J-41 is also a top-notch aircraft for private corporate travelers. What's more, Yeti Airlines' 7 J-41 aircrafts are ably supported round-the-clock by a certified crew in its own CAAN approved hangar.

**At Yeti Airlines, you always come first.**

Yeti Airlines operates 7 Jetstream-41 advanced turbo prop aircrafts catering to widest network sectors every day.

# Relief and Rehabilitation Works for EQ Victims by Rotary Club of Yala

- Rtn. Pramod Sagar Pradhan

On Saturday the 25<sup>th</sup> April of 2015, a group of Rotarians and Anns of Rotary Club of Yala were enjoying the annual heritage tour of Sunaguthi village in Lalitpur. After the tour the group had delicious luncheon at the Sunaguthi Bihar and were getting ready to disperse. That was the time when a magnitude of 7.8 earthquake struck Nepal causing massive destruction to the people's lives, habitats and the environment. God must be thanked for keeping all safe as the group had just concluded the heritage visit passing through the age old core narrow streets of Sunaguthi where a number of buildings suffered destruction.

Numerous aftershocks followed to cause further damages and losses, and instilling fears in the people. The news media flooded with loss of life, injury, destruction and damages in earthquake affected areas was overwhelming, and most people felt almost immovable physically as well as mentally. In such a situation, it was amazing to see some volunteers helping people, saving lives, providing water food and safe places. The members of Rotary Club of Yala joined this convoy of volunteers and got actively involved in various earthquake relief activities, engaging in providing relief assistance related to food, water and primary health care, to the earthquake victims of Lalitpur and its surrounding areas. In the beginning, most members of RC Yala were involved in emergency relief assistance at their own personal and/or community level. These early efforts were quite chaotic and unplanned as the members were not oriented or trained for such a massive disaster. However, after recovering from the initial shock RC Yala started to provide relief assistance in an organized

manner so that available limited resources could be utilized optimally for the earthquake victims.

First, RC Yala identified primary, but not limited to, areas for reaching out the EQ victims and an EQ Disaster Management Steering Committee was formed to engage all members, Anns and Rotaractors of RC Yala in five specific subcommittees e.g. (1) Recourse Mobilization, (2) Water, Sanitation and Health (WASH), (3) Relief, (4) Shelter, and (5) Education. The areas selected for relief and rehabilitation are: Bungamati, Chapagaun, Chitlang, Harisiddhi, Khokana, Lakure Bhanjyang, Lalitpur SMC, Rayale Khanigaun, Sunaguthi, Thasi, Thecho, Gorkha district, Kathmandu district, Bhaktapur district, Kavre district, Sindhupalchok district and Dolkha district. Where possible, RC Yala formed partnerships with local groups to accomplish its service activities e.g. Rotary Community Corps in Bungamati, Jyotidaya Bihar and Jyotidaya Cooperative Youth Group in Chapagaun, Rotary Community Corps and Mahila Sahakari Sanstha in Chitlang, Emergency Temporary Settlement Management Committee in Harisiddhi, Rotary Community Corps in Khokana, Bouddha Jana Senior Citizen Day Care Centre in Sunaguthi, Rotary Community Corps in Thasi, Lumanti Support Group for Shelter in Thecho. This partnership with local entities was extremely helpful in the delivery of services.

After coping with initial emergency relief works, RC Yala got engaged in building temporary shelters for the EQ victims as well as repair works of schools buildings built by the club. Altogether 300 plus temporary shelters were built in designated areas. In

many areas, the club's initiative was an inspiring factor for the local residents who were still in aftershocks and hesitant to take any construction activities. Many individuals and organizations joined RC Yala to help build temporary shelters, which provided great relief for people and to cope with the rainy season and chilly winter.

According to the government reports, more than seven lakhs houses and thousands of community buildings including schools and health posts have been destroyed. RC Yala, with due thanks to all individuals and organizations to their generous support, decided to help build some schools in dire needs. Some of the major works being carried out by RC Yala are listed below.

- The reconstruction of Shree Bagdevi Secondary School at Jyamdi of Kavre district has started. This two floor and eight classrooms building is being constructed with the assistance Nepalese Association Houston (NAH), Texas – USA, which has provided US\$ 30,000.
- The reconstruction of Shree Kshamawati Higher Secondary School at Suspa VDC of Dolakha district is also supported by Nepalese Association Houston (NAH). A total fund of US\$ 50,000 has been allocated for constructing two floor and 12 classrooms building, for which the building design and official clearance are in process. The building will be constructed using Cement-Sand-Soil-Block (CSSB) technology.
- RC Yala is also supporting reconstruction of Shree Balkumari Higher Secondary School at Sunaguthi – Lalitpur, with US\$ 20,000 fund assistance from Nepalese Association Houston (NAH).

RC Yala is assisting the Jyotidaya Secondary School at Chapagaun – Lalitpur, whose buildings are made of mud walls and bamboo roofs using local technology. Miss Monika Shrestha, currently studying in UK, has raised funds to support this reconstruction.

- RC Yala has ordered 20 sets of Cement-Sand-Soil-

Block (CSSB Technology) making machines from Asian Institute of Technology in Thailand. The CSSB bricks will be extensively used to construct walls of all buildings being assisted by RC Yala. These machines are being acquired at a total cost of US\$ 45,000, for which funds have been made available by Mr. Dikshyant Rajbhandari & Friends, Charlie's Restaurant, Massachusetts – USA, and International Community Service, RI District 2700 Fukuoka, Japan (Mr. Takuro Manabe).

- RC Yala is helping to develop the Ghyampedanda village of Lalitpur as Model Village. There are 40 households of Nagarkoti ethnic group who have lost all their houses. The community will use CSSB technology to build their houses and community buildings under the Build-Own-House scheme.

Finally, RC Yala is thankful to a host of individuals and organizations who have contributed funds for the relief and rehabilitation of EQ victims. They are:

- International Community Service, RI District 2700 Fukuoka, Japan (Mr. Takuro Manabe)
- Mr. Dikshyant Rajbhandari & Friends, Charlie's Restaurant, Massachusetts, USA
- Nepalese Association of Houston, Houston, Texas, USA (Mr. Madhukar Amatya)
- Rotary District 3292 Nepal and Bhutan
- Ms. Shrija Pradhan, Sydney, Australia
- Rtn. Dr. Dinesh Lal Shrestha, UNHCR, Quetta, Pakistan
- Miss Monika Shrestha & Friends, UK
- Rtn. Surendra Govinda Joshi & Family
- Rtn. Bekha Krishna Shrestha
- Rtn. Dr. Sumitra M. Gurung & Friends from Australia
- Rotary Club of Kamakuro, Japan (Mr. Muto)

- Rotary Club of Osaka Central, Japan (
- Rtn. Rajendra Man Shrestha
- Rtn. Laxman Joshi & Friends
- Rtn. Dr. Sudip Shrestha and Nepal Cancer Hospital and Research Centre
- RC Yala Rotarians, Anns, Rotaracts, friends and families

Let us all wish a safe and sound recovery for all people who suffered losses by this Earthquake.

Rotary Club of Yala

## The problem with dandelions

A man who took great pride in his lawn found himself with a large crop of dandelions. He tried every method he knew to get rid of them. Still they plagued him.

Finally he wrote to the Department of Agriculture. He enumerated all the things he had tried and closed his letter with the question: "What shall I do now?"

In due course, the reply came: "We suggest you learn to love them."

## Rotary Anns in Action: bringing smiles to young and elderly faces

Ann's Group of Rotary Club of Yala (District 3292)

### WASH Reality in Nepal

Access to safe water and proper hygiene remain a key challenge in Nepal. Research indicates:

- ◆ more than 80% of water sources in rural areas are contaminated with pathogens.
- ◆ 82% of drinking water at households are contaminated with faecal coliforms.
- ◆ More than 7,900 deaths of children under five are due to unsafe drinking water and poor sanitation.
- ◆ WHO estimates that up to 90% of diarrhea cases are caused by poor water, sanitation and hygiene.

### Shree Bagdevi Uccha Madhyamik Vidhyalaya

Location: Jyamdi VDC, Kavre

Students: 500 from nursery to grade 12 (about 50% girls).

Notes:

- ◆ all students from poor families affected by the mega earthquake
- ◆ school completely destroyed, students studying under temporary sheds
- ◆ RC Yala is also providing financial help to rebuild the school

Event: 3 Feb 2016

- ◆ Distributed winter sweaters for 118 young students of nursery to grade 5
- ◆ Handed RC Yala's cheque of Rs. 1,000,000 (first installment for school reconstruction)

The Ann's Group of the Rotary Club of Yala, Nepal has been actively supporting the needy elders, women and children for many years. The Ann's Group conducts many activities to increase access to safe water, sanitation and hygiene (WASH) and provides skills and materials to children studying in schools. The Ann's also provide warm clothes before winter to children and elderly who cannot afford to buy their own. The need for proper WASH and winter clothes has increased after the mega earthquake of April 2015 that devastated many poor households. Children and elderly are at greater risk.

### Patha Pradarshak (Asal Chhimeki) Madhyamik Vidyalaya

Established: Ashoj 2020 BS

Location: Deutatar, Badikhel, Godavari Municipality, Lalitpur

Students: 245 boys and 220 girls

Staff: 12 male and 6 female teachers

Note: 95% students from marginalized poor communities

Event: 17 Sep 2015

- ◆ WASH awareness and training on safe drinking water, proper sanitation, toilet use, hand washing, general health and hygiene and menstrual hygiene management (for girls)
- ◆ 157 packets of hygiene kits distributed
- ◆ Technical experts from ENPHO, a local NGO
- ◆ Provided three 1000-litre water tanks, one submersible water pump and a coil of water pipes

### Clark Memorial Himalaya Primary School

Location: Bungamati VDC, Lalitpur

Established: 2004

Students: 60 students (24 boys and 36 girls)

in nursery to grade five

Staff: 8 teachers

Event: 7 Feb 2016

- ◆ Anns cut hair of 30 students
- ◆ Distributed stationery and one computer set

### Bramhayani School

Established: BS 2059

Location: Thecho, Lalitpur

Students: 72 students mostly from poor families

Event: 24 Sep 2015

- ◆ WASH awareness and training given to mothers of students; most mothers under 25 years
- ◆ WASH experts from ENPHO, a local NGO
- ◆ Distributed 47 hygiene kits
- ◆ Handed over of one month's supply food (rice, dal, sugar, etc.) for children
- ◆ Provided handkerchiefs and meal for participating mothers and children

### Apanga Sewa Sangha

A centre for educational development and well-being of differently-abled children

Location: Bungamati, Lalitpur

Children: 51 differently-abled kids

Remarks: Anns Group regularly supply of dress, equipment, furniture for hostel

Event: 19 Dec 2015

- ◆ Handed over Braille paper and food for blind children
- ◆ Distributed snacks to the children
- ◆ Distributed winter quilts to earthquake affected children and senior citizens

### Manjushree Briddhashram

Location: Sampang Chowk of Lalitpur

Established: 20 years ago by Ms Manju

Thapa Magar and her late husband

Residents: 12 elderly women from different parts of Nepal (including 2 physically ill, 2 deaf-mute (*lati*), 2 mentally ill)

Event: 7 Dec 2015

- ◆ Distributed warm clothes, food and cash for the resident elderly women

# Activities of District Rotary Foundation Committee At a Glance

*DRFCC PDG Basu Dev Golyan*

## 1. Introduction:

District Rotary Foundation Committee is one of the nine District - level committees recommended by Rotary International. All committees in the District are equally important and has greater role to play in the effective functioning of the District. However, District Rotary Foundation Committee (DRFC) is responsible in overseeing fundraising and effective implementation and stewardship of the Rotary funded projects carried out by the District and the clubs.

The governor elect for the Rotary year 2013-2014 nominated me as District Rotary Foundation Committee Chair for a period of three years from 2013/14 to 2015/16 in consultation with then DGN Rabindra Kumar Piya. As the future vision plan of RI was already in place, the Rotary Foundation invited all the DRFCC including me in San Diego, USA for a mandatory training during January 19-20, 2013 International Assembly for Governors-elect. The huge investment for DRFCCs training is a message: how important is the "Future Vision Plan" and DRFCCs role in effectively and efficiently implementing it in their respective Districts and the clubs.

## 2. DRFC Structure:

The next task for the DRFCC was to form TRF Sub Committees as per The Rotary Foundation Committee manual. Following the guidelines and in consultation with DGE, Sub Committees were formed and capable, knowledgeable and interested Rotarians among Past Presidents of the clubs were assigned as Sub Committee chairs and members. The ten Sub Committees include; Grant, Fund raising, Polio plus, Stewardship, Endowment fund, VTT, Scholarship, Peace Fellowship, Annual Fund and PHS chair. Among the Chairs and members one third were replaced every year, to give opportunity to new ones for maintaining continuity.

Before commencement of the Rotary year, all committee chairs and members are oriented on their respective roles and responsibilities through a specially designed half-day training program. DRFC committees meetings were organized quarterly for review and planning bringing together all the Sub Committee chairs and inviting DG, DGE and DGN based on their availability.

One of the most important aspects of Future Vision Plan is global grant. In order to select feasible project within the Areas of Focus a Scrutiny Committee comprising of three Rotarians (having wide range of experience in project formulation and implementation) was formed to oversee/scrutinize grant applications which were not feasible, imposed, donor driven and to minimize disapproval of grant application from TRF. The committee review projects and suggest actions. It proved to be very effective. In addition, the DRFC committee developed a template of forms to be filled in by each club before applying for a TRF Grant project, which include decisions of Club TRF Committee and Club Board of Directors, in order to be eligible for authorization by DRFCC (and District Governor wherever needed). This system is introduced to maintain transparency and to make club members aware of the project the club is initiating.

**3. TRF Seminars and Orientation:** Knowledge on the Rotary Foundation is essential to understand the way it operates, and for participating in TRF. Therefore topics on TRF are included in DTTS, PETS and DTA etc. However in addition to that TRF focused training are recommended within the structured programme of RI for which excellent guidelines are developed. In this context in the past three years DRFC has been organizing following orientation and seminars with the support of District Trainer, District training advisor and resource persons:

**3.1 Orientation on Future Vision Plan:** In order to roll out Future Vision Plan it is extremely important for all the Rotarians to be familiar with it. DGE Dilendra Raj Shrestha with the support of District Training team organized orientation on Future Vision Plan to clubs in the District before he took his tenure as Governor.

**3.2 Grant Management Seminar:** A mandatory Grant management seminar is organized every year using Grant Management Leaders Guide well before the beginning of Rotary Year. The participation from Clubs were overwhelming up to 95 percent and in absolute numbers it always exceeded 150 as more than one person participated from most clubs.

**3.3 TRF Seminars:** District Rotary Foundation Seminars is always organized in November or December using DRFS Guide (RI publication 438) as reference and customized to the needs of the District. Normally the seminar is organized back to back with donor recognition programme with overwhelming participation of nearly 200 participants. Participation of Rotary leaders from the region and their contributions in deliberations during the seminar added value to the seminar as well.

Considering the importance of Future vision plan in the year 2013/14, TRF seminar was organized at Zonal Level combining 3 to 4 zones. The purpose of the extended seminar was to penetrate knowledge on TRF to club level. While organizing the zonal level seminar resources available at zonal level were fully utilized.

**3.4 TRF Level I and II seminars:** Though TRF Level seminars are not the structured training programme of RI, such seminars were organized as deemed necessary and as advised by regional coordinators. The level I seminar was for DG, DGE, and DGN where as level II was targeted to PDGs and District Committee Chairs and AGs. Since there is only one Rotary District in Nepal the seminars were merged into one

#### **4 Donor Recognition Programmes:**

Donors recognition programme has been a regular feature of RID 3292 since 2013/14. RID 3292 has been fortunate to have the presence of RIP Gary CK Huang, Directors and Trustees during the recognition programme. The recognition programme has been instrumental in increasing cash contributions to TRF.

**5. Cash Contributions to TRF:** In last three years (2013/14 and 2015/16) RIDistrict 3292 has contributed US\$ 1 million in cash. In the year 2013/14 it was US\$ 255,392 in 2014/15 it was US\$248,396 and in 2015/16 it was about US\$ 500,000. The 2015/16 contributions are likely to increase up to US\$900,000. This is so far the largest contribution to TRF from the Districts in Zone 6A of Rotary. In terms of recognition RID 3292 presently has (a) 1 Major Donor level IV (b) 4 Major Donor level III (c) 5 Major Donor Level II (d) 45 major donor level I (and 27+ likely to be increased by this Rotary year) (e) 15 Paul Harris Society members and (e) 1900 Paul Harris Fellows of various level.

**6. Global Grant Projects:** Though Global and District Grants replaced matching grant and District simplified Grant, it was still continued as carry over of earlier projects and monitored by DRFC. Within a span of nearly three years 57 number of Global Grants worth 3.7 million US\$ was approved by TRF.

It is worth mentioning the approval of flagship projects of District namely (a) Blood Bank Project worth US\$192,438 (b) Community Heart Hospital Project worth US\$240,000 (c) Computer Project in Pokhara worth US\$105,000 (d) Dialysis Center at Biratnagar Project worth US\$115,000 (e) Gautam Buddha Heart Hospital Project at Butwal worth US\$300,000. Another one larger project is in the pipeline also in Butwal worth US\$600,000. The ratio of contribution to TRF and amount received in the form of Global grant is 1: 10

**7. Image of TRFC of RID 3292:** Recently RID 3292 has been recognized by TRF as one of the Districts that do good job of reviewing GG applications. Laura Bradley Regional Grant Officer of RI recommended RID 3292 as one of Districts that do-good job of reviewing GG applications to Stewardship Department of RI, which is working to develop some tools for District leaders to use in order to improve grant review process. Accordingly, Cassandra Filer from Stewardship Department asked series of questions to DRFC on our District global grant review process. All her questions were responded to and she has invited DRFC for webinar. Some of the reasons for the recognition could be (a) high approval rate of GG application as a result of the scrutiny and (b) improvement in reporting overdue.

**8. Conclusion:** The status of DRFC of RID 3292 and the progress made so far can be considered highly satisfactory. However, there are still plenty of rooms for improvement. The credit of the excellent performance of DRFC in last three years goes to (a) a strong base established prior to rolling out of the Future Vision Plan and (b) dedicated members of DRFC, Governors, Governorelects and Governor nominees and the training team who continuously supported to make things happen. I trust that this brief write-up will work as a reference to build upon it further. And I wish all the best for the incoming team and assure that my support to the new team will be continued. Finally I extend sincere thanks to all those who supported me directly and indirectly to make my tenure successful.

*(Note: this write-up is prepared with the active support of PDG Dilendra Raj Shrestha and District Stewardship Sub-committee Chair PP Prafulla Man Singh Pradhan)*

# Rotary Awards and Recognitions

Members of the Rotary community work hard to create positive change at home and around the world. And because of this, they're making clubs stronger, communities better, and peace possible. Thank them for their dedication and valuable contributions by recognizing them with one of the following awards.

## Recognize a Rotarian

### AVENUES OF SERVICE CITATION

Honor a club member who participates in service activities in each of the five Avenues of Service: Club, Vocational, Community, International, and Youth.

Who can nominate: Club presidents

Deadline: None

### CLUB BUILDER AWARD

Present a certificate to up to 10 deserving Rotarians from district who have significantly supported and strengthened their Rotary clubs.

Who can nominate: District governors

Deadline: None

### ROTARY FOUNDATION CITATION FOR MERITORIOUS SERVICE

Honor members who have been actively involved in service activities related to The Rotary Foundation, such as serving on a Foundation committee, participating in a grant-funded project, or supporting a Rotary Peace Fellow.

Who can nominate: District governors

Deadline: None

### ROTARY FOUNDATION DISTINGUISHED SERVICE AWARD

The Distinguished Service Award is the Foundation's highest service recognition and is given to Rotarians who have demonstrated exemplary service to the Foundation. Recipients must have received the Citation for Meritorious Service four years prior to be eligible for this award.

Who can nominate: Rotarians

Deadline: 30 June

### ROTARY FOUNDATION DISTRICT SERVICE AWARD

Present a certificate to Rotarians in your district who are making a difference through the Foundation's programs.

Who can nominate: District governors

Deadline: None

### RI SERVICE ABOVE SELF AWARD

Rotary's highest honor recognizes up to 150 Rotarians each year who demonstrate their commitment to helping others by volunteering their time and talents.

Who can nominate: Current and immediate past district governors and current and past RI directors

Deadline: 1 September

### SERVICE AWARD FOR A POLIO-FREE WORLD

This award recognizes outstanding contributions to our polio eradication efforts. Each year, we give up to 10 regional service awards per WHO region to worthy recipients. We also give 10 international awards to people whose work has had widespread impact.

Who can nominate: Rotarians

Deadline: 1 November

### VOCATIONAL SERVICE LEADERSHIP AWARD

This award is given to Rotarians who have used their occupation to make an impact in the community, demonstrated integrity in their profession and in Rotary, and undertaken at least one of six activities outlined in the award guidelines.

Who can nominate: District governors

Deadline: 1 November

## Recognize a Rotary club

### MEMBERSHIP DEVELOPMENT AWARD

Honor a club, district, or zone that achieved superlative success in membership growth and retention.

Who can nominate: No nomination necessary

### **PRESIDENTIAL CITATION**

Clubs that are growing stronger, creating positive change in our communities, and enhancing our public image deserve recognition. The Presidential Citation is one way to acknowledge their work.

### **SIGNIFICANT ACHIEVEMENT AWARD**

Recognize a club in district whose project has addressed a significant problem or need in your community (international projects are not eligible). You can nominate one club per district each year.

Who can nominate: District governors

Deadline: 15 March

### **Recognize our partners in service**

### **FAMILY AND COMMUNITY SERVICE AWARD**

This award recognizes individuals or organizations that are helping families in your community, as well as Rotarian family members who make positive contributions to a Rotary club.

Who can nominate: Club presidents

Deadline: None

### **PRESIDENTIAL CITATION FOR INTERACT CLUBS**

Recognize Interact clubs that are meeting our president's challenges to make a positive difference.

Deadline to achieve all goals: 1 April 2016

Sponsor Rotary club president deadline: 15 April 2016 (for reporting qualifying clubs to RI)

### **PRESIDENTIAL CITATION FOR ROTARACT CLUBS**

Honor Rotaract clubs that are meeting our president's challenges to be active and engaged.

Deadline to achieve all goals: 1 April 2016

### **ROTARACT OUTSTANDING PROJECT AWARD**

Recognize clubs that are making an impact through their exceptional community or international service projects.

Who can nominate: Rotaractors

Deadline: 1 February

### **ROTARIAN SPOUSE/PARTNER SERVICE AWARD**

Honor spouses and partners of club members for showing their commitment to Rotary through exemplary humanitarian service.

Who can nominate: District governors

Deadline: 1 March

### **ROTARY ALUMNI ASSOCIATION OF THE YEAR AWARD**

This award recognizes one outstanding alumni association each year that has increased awareness of our alumni's impact on our organization.

Who can nominate: Regional Rotary Foundation coordinators

Deadline: 30 June

### **ROTARY AWARD FOR EXCELLENCE IN SERVICE TO HUMANITY**

This award recognizes non-Rotarians who have demonstrated exemplary humanitarian service consistent with Rotary's ideals, and who might otherwise go unrecognized.

Who can nominate: District governors

Deadline: None

### **ROTARY GLOBAL ALUMNI SERVICE TO HUMANITY AWARD**

This award recognizes one outstanding Rotary alumnus each year whose humanitarian service and professional achievements demonstrate the impact of Rotary's programs.

Who can nominate: Regional Rotary Foundation coordinators

Deadline: 30 June

### **WORLD INTERACT WEEK RECOGNITION**

Recognize Interact clubs that celebrate the founding of the first club during World Interact Week, which occurs each year during the week of 5 November. Activities can range from working on a joint project with a Rotary club to inviting potential members to a club meeting or project.

Who can nominate: Sponsoring Rotary club or district Interact chair

### **WORLD ROTARACT WEEK RECOGNITION**

Recognize Rotaract clubs that celebrate the founding of the first club during World Rotaract Week, which occurs each year during the week of 13 March. Activities can range from partnering with an international Rotaract club to publicizing Rotaract in your local media.

Who can nominate: Sponsoring Rotary club or district Rotaract chair

Deadline: None

**Mahindra**  
Rise.

# the young SUV with power-packed features

**the young SUV**  
**KUV100**

## style

**Sculpted steering wheel with bolsters**  
Drive with comfort by giving your hands ease and luxury as you steer ahead

## comfort & convenience

**Puddle lamps on all doors**  
Now even enter the car in style with convenient puddle lamps beneath all doors

**First-in-Class micro hybrid technology**  
Switch between fuel saving ECO mode and power packed POWER mode as per your need

## safety

**Speed sensing automatic door locks**  
We all forget to lock the doors every now and then. Don't worry, this smart car takes care of that issue.
